PRODUCT DESCRIPTION:

Influenced by natural flowing artistic movements, Candid Cowhide is a design free of all constraints. Playful yet contemporary.

The artisan technique of the Hand-Tipped texture directly enhances the tonal depth of this unique embossed leather.

CHARACTERISTICS:

Candid is a lightly finished, protected leather that is embossed and Hand-Tipped.

Natural variations in color, tone and texture are part of the beauty of this leather artwork and highlight each hide's unique history and natural markings.

As a Hand-Tipped leather, there will be some variation in coloration and boldness of the tipping effect within a hide and from hide to hide.

A: Leather is a natural product, therefore it may take the embossing effect differently from area to area and therefore, there will be some variation in the depth of the embossed pattern print. This variation is controlled as much as possible.
