

DIGITALLY PRINTED COWHIDE TROPICAL FOLIAGE PEACHY KEEN

PRODUCT CHARACTERISTIC SHEET

PRODUCT DESCRIPTION:

Breaking new boundaries for designs on leather, Digitally Printed Cowhide uses imagery and artwork to create breathtaking patterns.

Inspiration from the stunning views of coastal shorelines and artistic paintings, bring these picturesque interpretations to all upholstery applications.

CHARACTERISTICS:

Natural variations in color, tone and texture are part of the beauty of this leather artwork and highlight each side's unique history and natural markings.

Sold in panels up to 75" wide.

[Additional information...](#)

A: Digitally Printed Tropical Foliage Peachy Keen is an Aniline leather, with no surface pigments; there will be natural color shading within a skin and from skin to skin.

B: Digitally Printed Tropical Foliage Peachy Keen defects may include natural characteristics such as small holes, crease lines, and discoloration spots. These defects are minimal but should be expected to some degree as this is a natural product.
