

PENDANT COWHIDE

PRODUCT CHARACTERISTIC SHEET

PRODUCT DESCRIPTION:

Influenced by the extravagant elegance of gleaming chandeliers, Pendant Cowhide mimics a vision of draped crystals refracting rays of light. Hand-tipping with metallic hues gives this embossed design a pearlescent and slightly distressed feel.

CHARACTERISTICS:

Pendant is a lightly-finished, protected leather that is embossed and Hand-Tipped.

As a Finished leather, there will be durability and built-in protection from soiling, fading, and wear.

As a Hand-Tipped leather, there will be some variation in coloration and boldness of the tipping effect within a hide and from hide to hide.

Natural variations in color, tone and texture are part of the beauty of this leather artwork and highlight each hide's unique history and natural markings.

A sample of Pendant Cowhide is not necessarily representative of the overall coloration, effect, and characteristics of an entire hide.

A
