

# TEXTURED TAJ COWHIDE

PRODUCT CHARACTERISTIC SHEET

## PRODUCT DESCRIPTION:

Textured Taj Cowhide is a Finished leather that is expertly embossed with a natural-looking pebble texture and a high sheen pearlescent metallic finish. The lustrous pearlescent metallic finish highlights this dimensional texture beautifully and adds to the super softness and durability.

## CHARACTERISTICS:

Durability and built-in protection from soiling, fading, and wear.

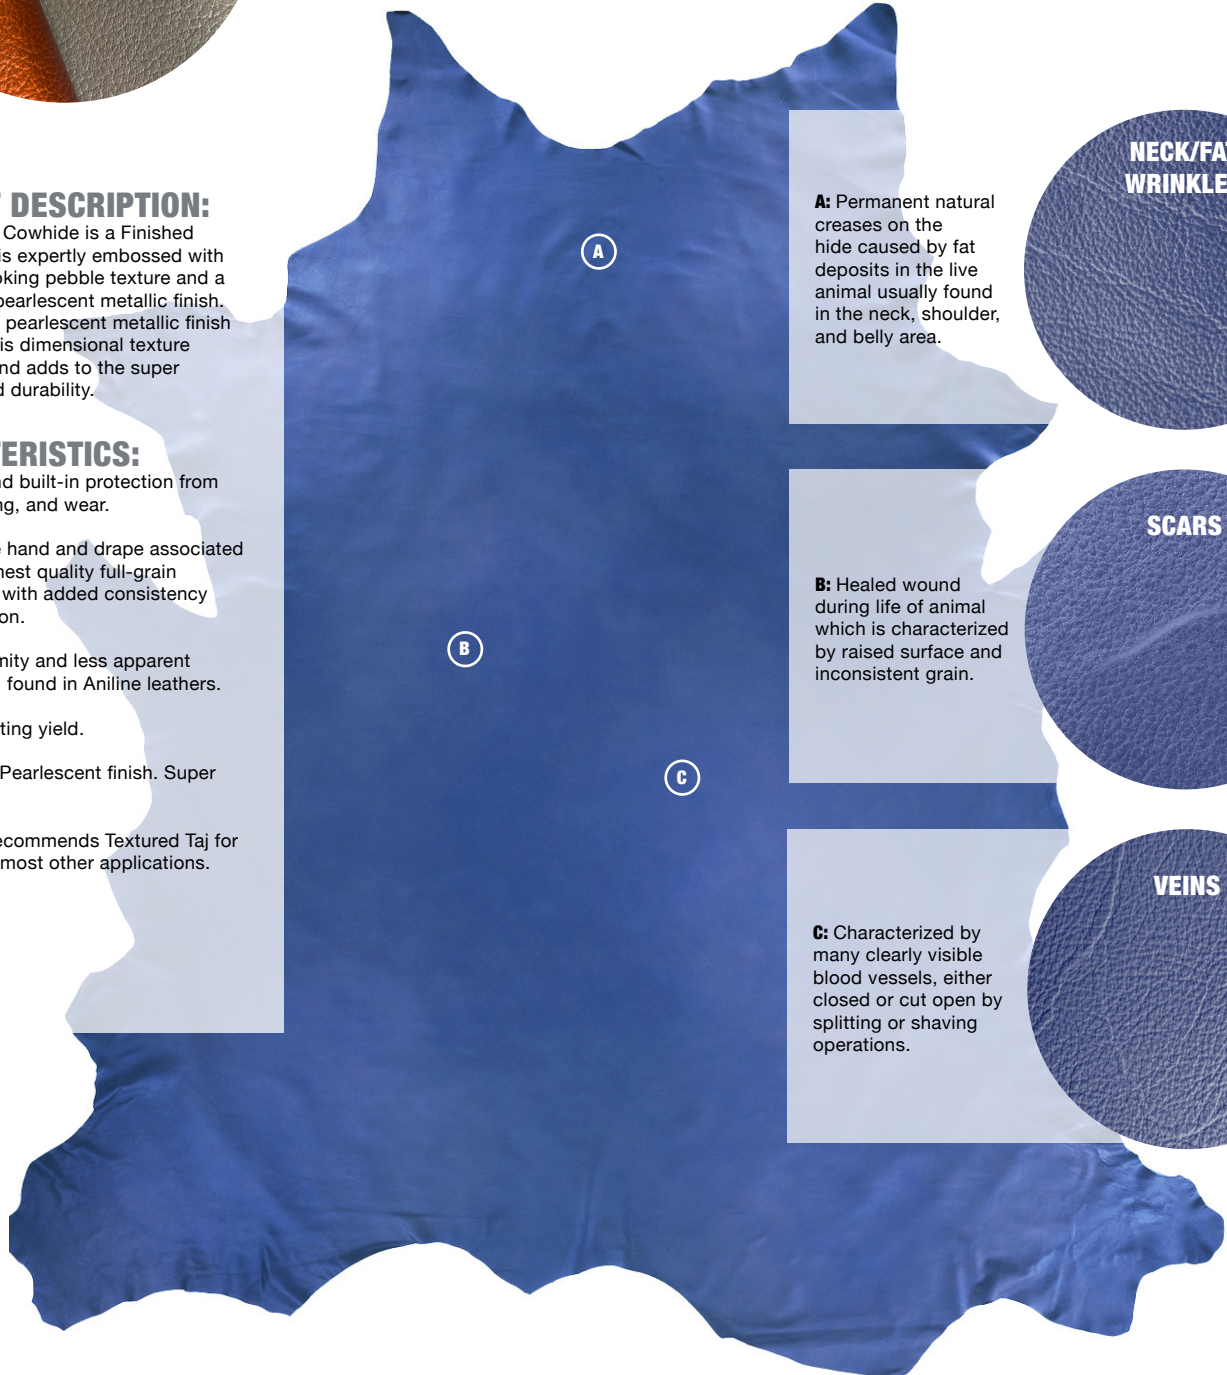

Features the hand and drape associated with the highest quality full-grain leathers but with added consistency and protection.

More uniformity and less apparent defects than found in Aniline leathers.

Superior cutting yield.

High Sheen Pearlescent finish. Super softness.

Townsend recommends Textured Taj for seating and most other applications.

### NECK/FAT WRINKLES

**A:** Permanent natural creases on the hide caused by fat deposits in the live animal usually found in the neck, shoulder, and belly area.

### SCARS

**B:** Healed wound during life of animal which is characterized by raised surface and inconsistent grain.

### VEINS

**C:** Characterized by many clearly visible blood vessels, either closed or cut open by splitting or shaving operations.
