

VINTAGE ENGRAVED COWHIDE

PRODUCT CHARACTERISTIC SHEET

PRODUCT DESCRIPTION:

Vintage Engraved Cowhide is firm, specially-tanned leather that is gaufage-embossed and hand-tipped to appear worn and distressed with a fine patina. Vintage Engraved captures the character of Old World hand-tooled European leathers.

CHARACTERISTICS:

Gaufrage is a unique embossing process that creates upholstery leather of exceptional softness and beauty. The design impression is transferred to the leather by an engraved roller under high heat and low pressure for a natural hand without pattern match lines.

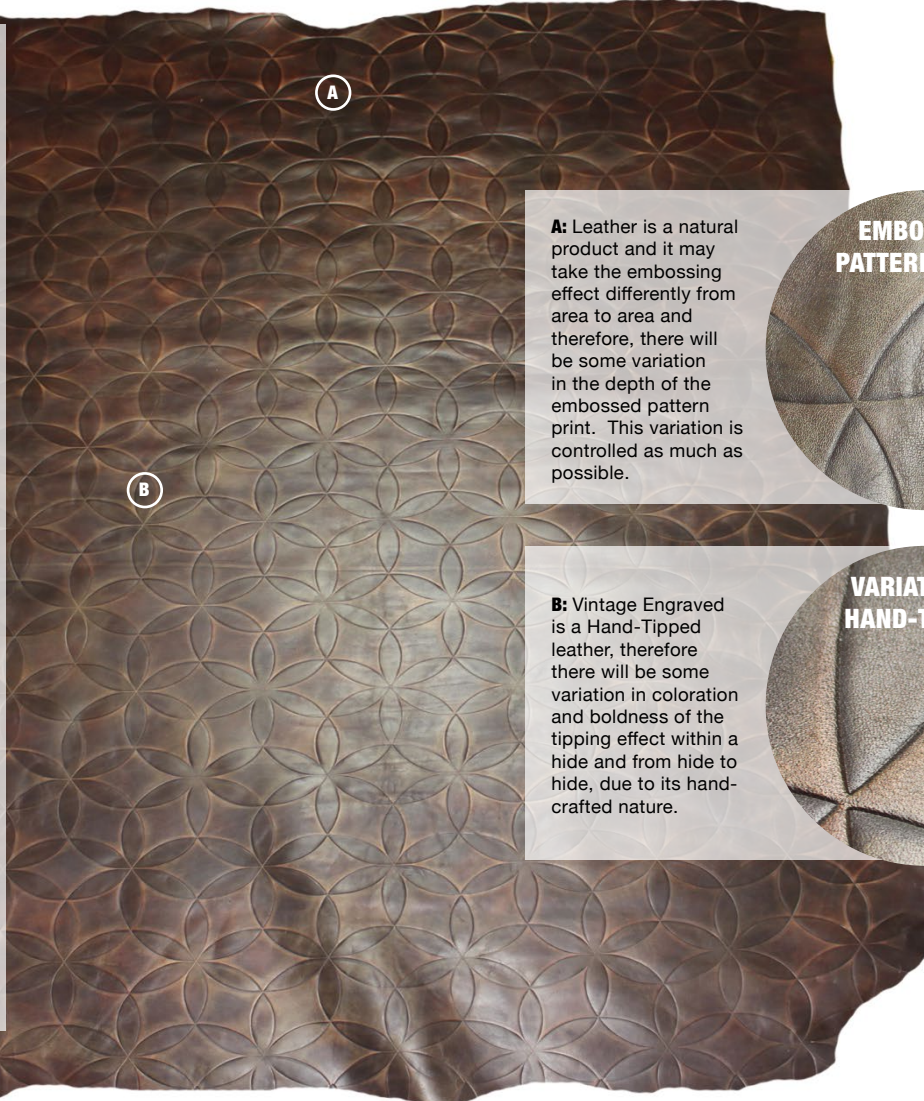

Available in 3 standard patterns: Alligator Scales, Herringbone, and Creek Lily

The firmness of the leather and the contrasting appearance created by the gaufrage-embossing and hand-tipping make this unique leather suitable for case goods, wall coverings, accessories and ceiling tiles as well as for upholstery.

As a Finished leather, there will be durability and built-in protection from soiling, fading, and wear.

Offered in 25 SF sides or 40-45 sf Center Cuts with no match line. Other patterns available in Vintage Engraved collection as well as coordinating solids.

The characteristic finish effect of this leather artwork is applied by hand; the resulting variance in design and color are part of its natural beauty.

A: Leather is a natural product and it may take the embossing effect differently from area to area and therefore, there will be some variation in the depth of the embossed pattern print. This variation is controlled as much as possible.

EMBOSSING PATTERN DEPTH

B: Vintage Engraved is a Hand-Tipped leather, therefore there will be some variation in coloration and boldness of the tipping effect within a hide and from hide to hide, due to its hand-crafted nature.
